IBM Innovation Center for SAP® Solutions

The [IBM Innovation Center for SAP® Solutions](#) was established by IBM and SAP in 1993. It is located near the SAP headquarters in Walldorf, Germany.

Experts from IBM and SAP work closely together in order to produce synergies from the knowledge and skills of both companies.

The Innovation Center offers you a single point of contact for all SAP related questions and is therefore an information source for topics about SAP applications on IBM technology.
