2. Agreement Structure

- 2.1 An “Agreement” hereunder shall consist of this Master Agreement, the Schedule, and their applicable attachments and addenda, and represents the complete and exclusive agreement between the Parties regarding the subject matter of

the Schedule, and replaces any prior oral or written communications between the Parties relating thereto. Each Agreement is effective when executed by the Parties thereto.

- 2.2 If there is a conflict of terms among the documents, the order of precedence will be as follows (from highest to lowest priority):
- a. the COA (solely with respect to Equipment model, Amount Funded, Rent and total Rent as applicable);
 - b. attachments or addenda to the Schedule;
 - c. the Schedule; and
 - d. this Master Agreement.
- 2.3 A member of the Lessee's Enterprise may, upon consent of Lessor, enter into Schedules incorporating the terms and conditions set out in this Master Agreement. Each Schedule shall constitute a separate lease agreement between the Parties thereto.
- 2.4 This Master Agreement sets out the general terms and conditions under which, from time to time, Lessor may lease Products to Lessee and Lessee may lease Products from Lessor. As between Lessee and Lessor under the Agreement, Lessee is responsible for the delivery, installation and acceptance of the Product. For each Lease, Lessee agrees to pay Rent in the amounts and on the due dates specified hereunder, and to pay such other Payments as they may become due and payable hereunder. Without limiting any of Lessor's other rights under the Agreement, Lessor reserves the right to reject any third party invoice that is (i) not for information technology equipment, software and related services, or (ii) dated more than ninety (90) days prior to the date Lessor receives a COA from Lessee.

3. **Payment and Taxes**

- 3.1 Rent shall be due and payable on the Payment Date of each consecutive Payment Period for the applicable number of Payment Periods. The initial Payment Period for a Lease shall begin on the first day of the month following the Commencement Date. Lessee will remit each Payment payable hereunder to the address specified in the invoice sent by Lessor to Lessee or elsewhere as otherwise instructed by Lessor in writing. If any Payment is due on a non-Business Day, then such Payment shall become due and payable on the next Business Day.
- 3.2 Payment will be settled by direct debit unless otherwise specified in a Schedule. To this effect, the Lessee agrees to return to Lessor, before the Commencement Date, direct debit documentation as required by Lessor.
- 3.3 In compliance with the provisions of the article 441-6 of the French Commercial Code, for any Payment not paid in full by its due date, Lessee also agrees to pay Lessor, in addition to the sums due and on Lessor request, a late payment fee calculated by applying the European Central Bank rate for its most recent refinancing operation plus ten (10) points, from the due date until payment is effectively and entirely made (the "Late Payment Fee"). In case of late payment, Lessee shall pay Lessor a fixed indemnity of forty (40) euros, to cover Lessor's debt collection costs. Should these costs exceed forty (40) euros, Lessor shall be entitled to complementary indemnification, subject to justification of the amount claimed. This provision is without prejudice to the other measures Lessor will be entitled to take in compliance with the provisions of article 19 hereinafter.

Lessee agrees that, upon the Commencement Date, Lessee's obligations under the Agreement become irrevocable and independent of acceptance of the Product, and Lessee's obligation to make all Payments in full when due, becomes absolute and unconditional, without set off, counterclaim, withholding, deduction, abatement, recoupment, or defense of any kind, and irrespective of errors or deficiencies in or the performance or the quality of the Product, or the performance by the Supplier or any other third party. Furthermore, it is expressly agreed, by exception to article 1724 of the French Civil Code, that Lessee will not have the right to claim any reduction of the Rent even if a Product is out of service for more than forty (40) days.

If following a court decision a Schedule is terminated as a result of the termination or cancellation of the Supply Agreement, the Lessee will remain liable for the prompt payment of the applicable Rent until the effective date of such termination, and will thereafter pay an indemnity which will be the aggregate of the Rent remaining to be invoiced until the end of the Initial Term, minus any sums received by Lessor from the Supplier as reimbursement of the price of the Products. Lessee shall not, in any case, postpone the payment of the termination indemnity until the price is reimbursed by Supplier, the Lessor committing to remit to the Lessee such reimbursement as soon as it will obtain it.

- 3.4 At Lessor's discretion, following the occurrence of a Default, Payments received by Lessor may be applied in the following order: first to Late Payment Fees, second to overdue Rent, and third to other Payments.
- 3.5 For any Rent not paid on its due date, the Lessor, as a penalty clause, shall be entitled to charge a fee equal to 0.75% of the amount of the outstanding Payment for each month or any part thereof that such Payment remains unpaid ("Unpaid Amount") from the due date until the actual date such Unpaid Amount is paid in full, subject to maximum limitations of applicable law (the "Late Payment Fee"). In case of late payment, Lessee shall pay Lessor a fixed indemnity of forty (40) euros, to cover Lessor's debt collection costs. This provision is without prejudice to the other measures Lender will be entitled to take in compliance with the provisions of Section 18 hereinafter.

3.6 All prices, fees, charges and/or other possible amounts are stated excluding VAT (Value Added Tax). Where VAT is due this shall be added to the payable prices, fees, charges and/or other possible amounts

4. Supplier

The scope of this Agreement being the supply and the lease of the Products, the Lessee acknowledges that Lessor's obligations are obligations of means. The Lessee assumes the choice of the Products, and asserts that it has checked the compliance of the Products with its own needs. The Lessee states that it orders the Products for its own needs, and not in order to resale them, directly or indirectly, and create, because of this, a market channel for the Products. Considering the scope of this Agreement and the activity of Lessor, the latter should not be considered as professional vendor of the Products.

For each Product, Lessee represents that it has the right to assign to Lessor, and hereby assigns to Lessor, effective upon signing the Schedule, but subject to the occurrence of the Commencement Date, its right to acquire from and its obligation to pay its Supplier for the Product up to the amount agreed by Lessor to be funded.

All other obligations as defined in the Supply Agreement between Lessee and Supplier governing the acquisition of the Product shall remain with Lessee. As between Lessor and Lessee, the rights and obligations of Lessee in relation to the Product are set out exclusively in the Agreement. Nothing in the Agreement shall affect any remedies Lessee may have against, or any obligations Lessee may have to, the Supplier, licensor, manufacturer of the Equipment, or other third party. Lessee shall make any claim solely against the Supplier, licensor, manufacturer of the Equipment, or other third party if the Product is unsatisfactory for any reason, and Lessee will inform Lessor of any legal proceedings beforehand. The Parties agree that during the Term of the Lease, so long as Lessee is not in default, Lessee shall have the nonexclusive benefit of any warranties for such Equipment made available to Lessor under the Supply Agreement as the owner of the Equipment and that Lessee is authorized to act on Lessor's behalf and for Lessor's benefit, concerning any warranty service for the Equipment, to the extent permitted under the Supply Agreement or as otherwise agreed to by the Supplier. The aforementioned authority shall not detract from Lessor's rights in relation to the Equipment.

For Products not supplied by IBM, Lessor may pay fees to the Supplier and/or other third party companies for administrative services provided in connection with the transaction or transactions contemplated under the Agreement. Details are available upon request.

5. Lease Commencement

5.1 The Lease will commence on the Commencement Date provided that: the Schedule is duly executed by Lessee and received by Lessor on or prior to the Validity Date and is accepted by

- b. the Commencement Date occurs by the end of the Planned Commencement Month;
- c. Lessee has satisfied all of the Conditions Precedent;
- d. Lessor receives a duly executed Certificate of Acceptance within ten (10) days of the Acceptance Date specified on such Certificate of Acceptance; and
- e. no Default has occurred.

If any of the foregoing conditions are not satisfied, Lessor shall have no obligation or liability with respect to the Agreement or the Products, including any obligation to pay the purchase price of the Products. Provided Lessor has a duly executed Schedule and COA, Lessor, in its sole discretion, may commence the Lease or issue a new Schedule to Lessee.

5.2 The Lease cannot be terminated during the Term, except as expressly stipulated herein, unless terminated by a court decision or otherwise mutually agreed in writing.

6. Ownership

Lessor is the owner of the Equipment and Lessee shall have no right, title or interest therein except as specified in this Agreement. Except for any purchase from Lessor during the Term of the Lease or at the end of the Term, if, for any reason Lessee does acquire title to the Equipment (including any Parts thereof), or to replacement equipment acquired as a result of manufacturer's maintenance or warranty, then Lessee shall be deemed to have transferred such title to Lessor immediately and will, at its own cost and expense, use all reasonable endeavors to do such further acts and execute such documents as may be necessary to give effect to such transfer. Lessee agrees to take such further actions at its expenses as may be required to protect Lessor's ownership against claims arising directly or indirectly from Lessee's possession or use of the Equipment. The Products are and will have to remain at any times movable, and shall not become "real property by destination" even if they turn out to become secured or dedicated to a real property. In case of assignment or pledging of Lessee's goodwill, the Lessee shall make all necessary arrangements so that the Products are not assigned nor included in the pledge, and Lessor's rights on the Products are brought in time to assignor or lien holder's attention. In order to enable Lessor to proceed with the legal publicity of this operation on the register of the competent Commercial Court, the Lessee will immediately communicate to Lessor the necessary information and documents, and the possible amendments made to the Agreement and the related documentation, failing which the Lessee will have to

guarantee Lessor for any damage it may suffer. For any software not leased hereunder installed on the Equipment, Lessee shall enter into a separate software license or other agreement with the software licensor for the use of the software and such software shall remain the property of the licensor and be governed by the software license between licensor and Lessee. Such software license shall not be affected by or subject to the Lease of Equipment and, with respect to the software license, Lessor shall have no rights or obligations thereunder. Such software shall not be included with any Equipment returned to Lessor hereunder. The Equipment is and shall at all times be and remain personal property and shall not become a fixture or realty.

7. Quiet Enjoyment

- 7.1 Lessor covenants to Lessee that Lessor or any third party acting or lodging a claim on its behalf, by serving a writ or by bringing any other legal action will not interfere with Lessee's quiet enjoyment of the Products during the Term of the Lease so long as no Event of Default shall have occurred.
- 7.2 Lessor does not provide any other expressed or implied warranty regarding in particular but not exclusively the proper functioning of the Products, their quality, or their compliance with Lessee's needs.
- 7.2 It is agreed that Lessor leases the Products as is. By exception to article 1721 of the French Civil Code, the Lessor is not responsible for latent or hidden defects of the Products. The Lessee expressly renounces to any indemnity or right to termination against the Lessor in such cases.

8. Liens and Charges

Lessee hereby agrees to ensure that the Equipment shall at all times be kept free from any lien, charge or encumbrance of any kind, except those created by or through Lessor.

9. Inspection and Marking

Lessee shall permit Lessor, upon prior notice, to inspect any Equipment, Parts, and maintenance records during Lessee's normal business hours and subject to Lessee's normal security procedures. Upon Lessor's reasonable request, Lessee will immediately affix identifying labels, plates or tags to the Equipment or Part(s) identifying Lessor as the owner of such item(s).

10. Maintenance and Use

- 10.1 Lessee shall keep each item of Equipment in good condition and working order, ordinary wear and tear excepted, and shall operate it safely at a Lessee owned or leased business location, unless otherwise preapproved by Lessor, and in a proper environment as defined by the manufacturer and/or Supplier and in compliance with all applicable laws and regulations. As it relates to any software, embedded or otherwise, Lessee agrees to comply with the terms of the software license and the Agreement.
- 10.2 If required of the owner of the Equipment by the Equipment manufacturer, Lessor agrees to (i) allow installation of any changes, additions, and/or capacity monitoring hardware or software on the Equipment, or permit manufacturer to monitor Equipment capacity; and (ii) comply with any other terms between Lessee and Equipment manufacturer, including, but not limited to, those that relate to Equipment capacity.

11. Insurance

- 11.1 Throughout the Term of the Lease, and as long as Lessor has not recovered possession of the Equipment, the Lessee is liable for all losses or damages that the use or possession of the Equipment may cause to a third party, even if they result from any latent or hidden defects, manufacturing or assembly default, any fortuitous event or any force majeure event, and is responsible for all loss and damage risks that may affect the Equipment. The Lessor is not responsible for:
- a. Any damage caused by Lessee's failure to fulfill its obligations;
 - b. Any damages suffered by Lessee or those caused by the Equipment, whatever their nature, origin or cause, or any proceeding filed against Lessee by a third party, even if Lessor has been aware of the possibility that such damage could occur.
- 11.2 Liability - Lessee, as possessor and user of the Equipment, is responsible for any material damages, personal injury or special damages, including but not limited to environmental damages, directly or indirectly caused by the Equipment or because of their use. In this respect, Lessee undertakes to subscribe, with an insurer of manifest solvency, an insurance policy covering the consequence of Lessee's liability, which will include a clause that extends the coverage to Lessor, in case its liability would be sought. Lessee shall furnish to Lessor, upon request, evidence that such insurance coverage is in effect.

- 11.3 Damages and loss incurred to the Equipment - As long as the Equipment are not returned to Lessor, Lessee is liable for all risks of loss, destruction or damages that may affect the Equipment, for every cause whatsoever, even if the loss, destruction or damage result from a fortuitous event or force majeure event. Lessee shall provide to Lessor, at any time upon request, evidence of such insurance naming Lessor as additional insured and granting Lessor the right to directly receive the payment of insurance indemnities. Lessee will inform Lessor of every damage affecting the Equipment, by registered letter with acknowledgement of receipt within five (5) working days following the damage or loss occurrence.
- a. In case of partial damage for any cause whatsoever, the Lease is automatically carried forward and Lessee will repair the damaged Equipment at its own expense.
 - b. If a Equipment is entirely destroyed or stolen, or when the repairing cost is greater than the Equipment's value, Lessee shall pay to Lessor (i) a termination fee, for lease early termination, equal to all the outstanding Rent due or to be due for such Equipment until the end of the Lease, and (ii) a penalty charge, for not returning the Equipment, equal to the projected FMV of such Equipment at the end of the Lease, as determined by Lessor. Thereafter the portion of the Lease with respect to such Equipment shall be terminated and Lessee shall owe no further Rent for such Equipment. Any insurance indemnity received directly by the Lessor as an additional insured for the Equipment concerned shall be deducted from the compensation due by the Lessee under this Section 11.2.b.

- 14.2 Sublease and Assignment Lessee may not sublease any Product or make an Assignment to any Enterprise, including any Enterprise located in the French territory, without Lessor's prior written consent. No sublease shall relieve such Lessee of its obligations under the Lease. Any such Assignment or sublease may require Lessee to accept additional terms and a change in Rent. The Lease shall continue as defined in Section 15.1 and Lessee will continue to pay Rent to Lessor retroactively from the date the purchase should have taken place until the end of the Lease.

16. Sale Commitment

16.1 Sale Commitment

Provided Lessee has satisfied all its obligations under the Agreement, Lessor undertakes to sell the Products to Lessee, at the end of each Payment Period, except during the first twelve months of the Lease. The date of the end of the Payment

Period chosen by Lessee will be the effective date of the sale. Lessee agrees as from now on that the sale will be subject to the terms and conditions stated under Section 22 hereafter ("Terms of Sale").

The sale will take place without warranty or recourse of any kind, express or implied, other than the possible remaining warranty of the Supplier. Considering the purpose of the Agreement and Lessor's activity, which is that of a financing company, Lessor cannot be considered as a professional vendor of the Products.

The purchase price of the Product will be the following:

- during the Initial Term, the price as determined by Lessor at the effective date of the sale, such sale being requested by Lessee with one month notice;
- as of the date of end of the Initial Term, the price as stated in the Schedule;

Lessor will retain ownership of the Products until full payment of the mentioned sums.

In case of non-payment of any of these sums at the indicated date(s), Lessor will be entitled to pronounce the immediate resolution of the sale, without prejudice to any rights to claim damages, all sums already paid to Lessor remaining definitively acquired to Lessor. The Product will then return to a Lease under the conditions applicable at the effective date as provided for the sale. Lessee will be liable for all Lease Payments owed from that date until the end of the Lease Term.

17 Equipment Return

- 17.1 Upon expiration, termination or cancellation of the Lease, the exact item of Equipment (manufacturer, type/model and serial number) shall be returned to Lessor at Lessee's expense, fully insured against risk of loss or damage, to a location designated by Lessor in France metropolitan. - c. pursue any remedy at law

The penalty amount will not be under any circumstances less than the Rent corresponding to one month lease.

21. Terms of Sale

21.1 Purpose of the Sale

In the event Lessee elects to acquire the Products, Lessee will buy and Lessor will sell the Products as indicated in the invoice of sale, provided that Lessee has executed and complied with all its obligations with respect to the Lease and subject to the provisions stipulated below.

Products are already installed and are subject to the terms of the entire Master Agreement.

For the purpose of the Agreement, Lessee has ordered the Products to the Supplier in its name but on behalf of Lessor. The provisions of the sale contract of the Supplier, other than those relating to the ownership of Products and to the payment of the Product price, remain in force and are incorporated by reference in these terms of sale.

21.2 Price and Payment terms

The price for the sale, granted by Lessor and accepted by Lessee, is indicated in the invoice of sale. The effective date of the sale is however subject to the condition precedent of the payment of the full Product sale price to the Lessor together with any other sums due under the Agreement and all related costs and applicable taxes.

Regardless of the date of the sale (during the Initial Term or the Renewal Term, or when such terms expire), the sale is subject to the terms of sale contained herein. The sold Products will be excluded from the Agreement on the effective date of the sale.

The sale price does not include any sums which are or will be due by the Lessee under any services agreement subscribed for the Products. The sale price takes into account the absence of charges for unplugging and shipping to the Lessor.

The sale price is payable upon receipt of the invoice, net and without discount. In the event of late payment, Lessee shall pay, in addition to all sums due and following formal notice sent by registered letter with acknowledgement of receipt, a late payment fee which will be calculated using the European Central Bank rate for its most recent refinancing operation plus ten (10) points payable from the due date of the unpaid amount up to its payment in full. Lessee shall also pay Lessor a fixed indemnity of forty (40) euros, to cover Lessor's debt collection costs. Should these costs exceed forty (40) euros, Lessor shall be entitled to additional indemnification, subject to justification of the amount claimed. This provision is without prejudice to other remedies Lessor will be entitled to take pursuant to this Agreement.

Any taxes owed after the effective date of the sale related to the ownership of Products are the responsibility of the Lessee.

21.3 Transfer of ownership

The ownership, title and interests in the Products are transferred to the Lessee pursuant to the provisions of section 16 of the Agreement. Lessor will retain ownership of the Products (including title and interests) until full payment of the mentioned sale price, all sums due pursuant to the Agreement and all related costs and applicable taxes.

21.4 Damages and loss to the Product

Until and included the effective date of the sale, the risks of loss or damage to the Products will be covered by the provisions of the Agreement. After the effective date of the sale, Lessee will bear all the risks of loss or damage to the Products, even caused by an act of god or a force majeure event.

21.5 Warranty

The sale is made without any warranty, guarantee nor right of action, other than the warranty of the Supplier. Considering the Lessor's business activities, which are those of a financial company and not those of a professional seller of products, and the fact that the Products are already used by the Lessee, the Lessee agrees to buy the Products "as is", without any express or implicit guarantee.

22. Data Protection

22.1 Business Contact Information

Lessor and its affiliates, and their contractors and subprocessors, may store and otherwise process business contact information (BCI) of Lessee personnel and authorized users, for example name, business telephone, address, email id's, and identification information, in connection with this Agreement wherever they do business. Such information will solely be used for the purpose of compliance with AML Legislation. Where notice to or consent by the individuals is required for such processing, Lessee will notify the individuals and obtain the consent of any such individuals. 22.3 Account Data

Account Data is information, other than data and information ("Content") from all equipment and BCI, that Lessee provides to Lessor to enable Lessee's acquisition and use of Lessor products or that Lessor collects using tracking technologies, such as cookies and web beacons, regarding Lessee's use of Lessor products. Lessor and its affiliates, its contractors and subprocessors may use Account Data for example, to enable product features, administer use, personalize

experience, and otherwise support or improve use of Lessor products. The Lessor Online Privacy Statement at <https://www.ibm.com/privacy/details/us/en/> and applicable attachments or transaction documents provides additional details.

For each Loan, Borrower agrees to pay Repayments in the amounts and on the due dates specified in the Agreement, and to pay such other Payments as they may become due and payable hereunder.
