IBM Global Financing

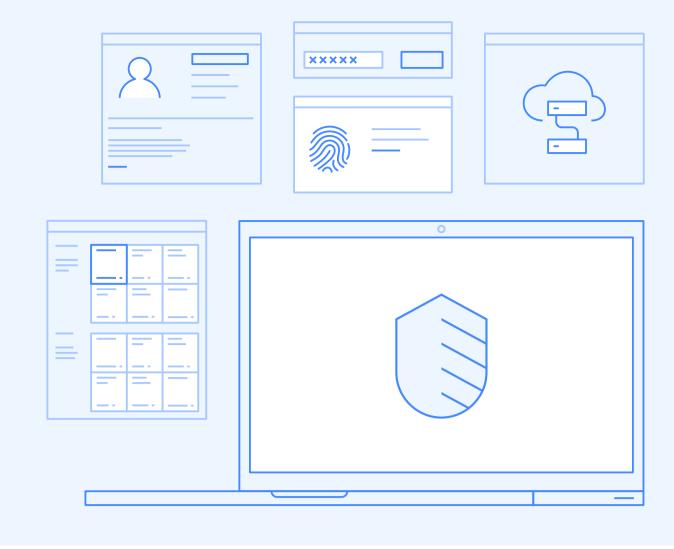

IBM

Prepare today for the cybersecurity threats of tomorrow with payment solutions

Help accelerate your IBM Security projects with a flexible and innovative financial strategy.

In 2020, the global average total cost of a data breach for surveyed organizations was \$3.86 million.¹

¹ Cost of a Data Breach Report 2020, IBM Security, July 2020

Work with IBM Security to help tackle key challenges that impact your business:

Align your security strategy with your business

Protect your digital assets, users and data

Modernize your security with an open, multicloud platform

Manage your defenses against growing threats

IBM offers payment plans for IBM software licenses, subscriptions and IT infrastructure.

Accelerate projects

Start and execute projects sooner with a payment solution. We can work with you to structure a plan that meets your needs.

Enhance business results

Flexible payment solutions may help optimize cash flow and enhance return on investment and total cost of ownership.

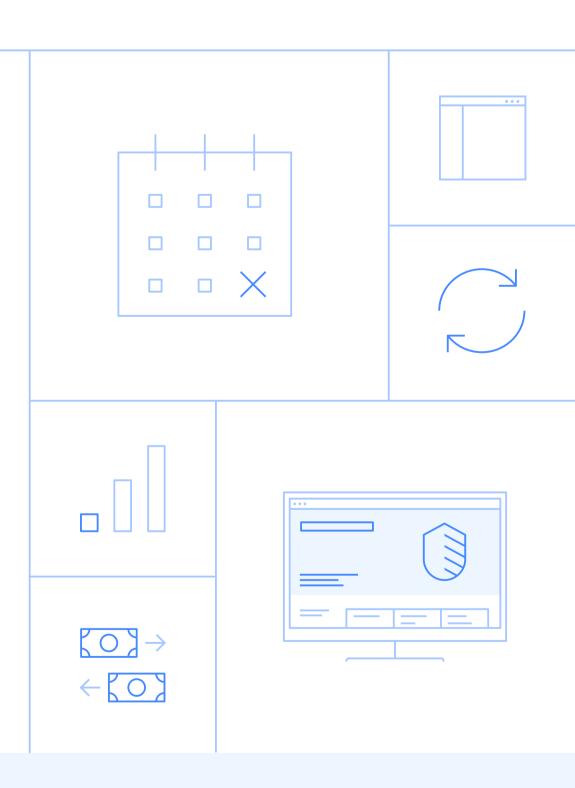

Boost agility and flexibility

Help align your infrastructure investments with workload needs by using flexible payment solutions.

Client success story

An electronics company wanted to renew its IBM Security software but faced budget challenges due to the upfront cost of the solution. IBM Global Financing helped create a flexible payment plan that allowed the client to extend the contract for 2 years, reducing upfront cash outlays and improving the company's cash flow. As a result, the client was able to extend its renewal contract and take advantage of additional IBM Security software.

Discover how IBM payment plans can help you put security everywhere.

IBM Global Financing offerings are provided through IBM subsidiaries and divisions worldwide to qualified commercial and government clients. IBM Global Financing lease and financing offerings are provided in the United States through IBM Credit LLC. Rates and availability are based on a client's credit rating, financing terms, offering type, equipment and product type and options, and may vary by country. Non-IBM content which is part of an overall IBM end user client solution may also be eligible for financing through IBM Global Financing. Non-hardware items are financed by means of loans. Other restrictions may apply. Rates and offerings are subject to change, extension or withdrawal without notice and may not be available in all countries. IBM and IBM Global Financing do not, nor intend to, offer or provide accounting, tax or legal advice to clients. Clients should consult with their own financial, tax and legal advisors. Any tax or accounting treatment decisions made by or on behalf of the client are the sole responsibility of the client. For IBM Credit LLC in California: Loans made or arranged pursuant to a California Financing Law license.
