2. Agreement Structure

2.1 An “Agreement” hereunder shall consist of this Master Agreement, the Schedule, and their applicable attachments and represents the complete and exclusive agreement between the Parties regarding the subject matter of the Schedule, and replaces any prior oral or written communications between the Parties relating thereto. Each Lease is effective when the Schedule containing such Lease is executed by the Parties thereto.

2.2 If there is a conflict of terms among the documents, the order of precedence will be as follows (from highest to lowest priority):

- a. attachments to the Schedule;
- b. the Schedule;
- c. attachments to this Master Agreement; and
- d. this Master Agreement.

2.3 This Master Agreement sets out the general terms and conditions under which, from time to time, IGF may lease Products to Customer and Customer may lease Products from IGF. For each Lease, Customer agrees to pay Lease Payment in the amounts and on the due dates specified hereunder, and to pay such other Payments as they may become due and payable hereunder.

3. Payment and Taxes

3.1 The initial Payment Period for a Lease shall begin on the first day of the month following the Commencement Date. Customer will remit each Payment payable hereunder to the bank account specified in the invoice sent by IGF. If any Payment is due on a non-Business Day, then such Payment shall become due and payable on the next Business Day.

3.2 For any Payment not paid in full by its due date, Customer also agrees to pay late payment interest in accordance with the Danish Interest Rate Act (Renteloven) from the due date until the actual date such Unpaid Amount is paid in full (the “Late Payment Fee”).

3.3 Customer agrees that, upon the Commencement Date Customer’s obligations under this Agreement become irrevocable and independent of acceptance of the Product or any claims under the Supply Agreement, and Customer’s obligation to make all Payments in full when due, becomes absolute and unconditional, without set off, counterclaim, withholding or deduction and irrespective of errors or deficiencies in or the performance or the quality of the Product, or the performance by the Supplier, or any third party.

3.4 Customer is responsible for any taxes and charges arising in respect of any Lease and/or any Product, except for IGF’s corporate income tax.

4. Supplier

For each Product, Customer represents that it has the right to assign to IGF, and hereby assigns to IGF, effective upon signing the Schedule, but subject to the occurrence of the Commencement Date, its right to use the Program and its obligation to pay its Supplier the purchase price or license fee of the Product up to the amount agreed by IGF to be funded. All other obligations as defined in the Supply Agreement between Customer and Supplier governing the acquisition or licensing of the Product shall remain with Customer. Nothing in this Agreement shall affect any remedies Customer may have under the Supply Agreement against the Supplier, Licensor, manufacturer of the Equipment, or any third party. Customer shall make any claim solely against the Supplier, Licensor, manufacturer of the Equipment, or any third party under the Supply Agreement if the Product is unsatisfactory for any reason, and Customer will inform IGF of any legal proceedings beforehand.

The Parties agree that during the Term of the Lease, as long as Customer is not in default, Customer shall have the non-exclusive benefit of any warranties for such Product made available to IGF under the Supply Agreement as the owner of the Equipment and that Customer is authorized to act on IGF’s behalf and for IGF’s benefit, concerning any warranty service for the Equipment, to the extent permitted under the Supply Agreement or as otherwise agreed to by the Supplier. The aforementioned authority shall not detract from IGF’s rights in relation to the Product.

5. Lease Commencement

5.1 The Lease will commence on the Commencement Date provided that:

- a. the Schedule is duly executed by Customer and received by IGF on or prior to the Validity Date and is accepted by IGF;
- b. Customer has satisfied all of the Conditions Precedent; and
- c. no Default has occurred.

If any of the foregoing conditions are not satisfied, IGF shall have no obligation or liability with respect to the Agreement or the Product, including any obligation to pay the purchase price of the Product. However, IGF, in its sole discretion, may commence the Lease or issue a new Schedule to Customer. If the Commencement Date occurs after the end of the Planned Commencement Month, IGF is entitled to change the Lease Payment. Such change shall become effective upon IGF’s notification to the Customer.

5.2 Provided that the conditions in Section 5.1 above have been satisfied, the Commencement Date for a Lease will be:

- a. for Equipment and Program Licenses supplied by IBM, the shipment date of such Equipment and the date of delivery for Program Licenses. If services are included in the Schedule the Commencement Date is the start date of the service, as stated in the Supply Agreement;
- b. for any other leased Product, the date Customer accepted the Product as specified by Customer on a duly executed Certificate of Acceptance, provided that such Certificate of Acceptance is returned to IGF within ten days after the date specified on the Certificate of Acceptance as the acceptance date.

6. Ownership

6.1 IGF is the owner of the Equipment and Customer shall have no right, title or interest therein except as specified in this Agreement. If, for any reason Customer does acquire title to the Equipment including any Parts thereof, then Customer shall be deemed to have transferred such title to IGF immediately and will, at its own cost and expense, use all reasonable endeavors to do such further acts and execute such documents as may be necessary to give effect to such transfer. Customer agrees to protect IGF’s ownership against claims arising directly or indirectly from Customer’s possession or use of the Equipment. The Equipment is and shall at all times be and remain personal property and shall not become a fixture or realty. Customer shall not be entitled to pledge, sell or otherwise burden the Equipment in question, except that Customer receives title of the Equipment subject to the exercise of a Purchase Option.

Except as otherwise expressly provided in the Schedule with respect to the lease of Program Licenses, for any software installed on the Equipment, including preloaded software, Customer shall enter into a separate software license or other agreement with the software licensor for the use of the software and such software shall remain the property of the licensor and be governed by the software license between licensor and Customer. Such software license shall not be affected by or subject to the Lease and, with respect to the software license, IGF shall have no rights or obligations thereunder, including any rights to limit Customer’s use of such software.

6.2 Disclaimer of Warranties

Except as expressly stated in this Agreement, as between IGF and Customer, IGF makes no warranty, express or implied, as to any matter whatsoever, including, but not limited to, implied warranties of merchantability, fitness for a particular purpose, non-interference, non-infringement or the like.

7. Quiet Enjoyment

IGF covenants to Customer that IGF will not interfere with Customer’s quiet enjoyment of the Equipment and/or Program License during the Term of the Lease as long as no Event of Default shall have occurred.

Customer hereby agrees to ensure that the Equipment shall at all times be kept free from any lien, charge or encumbrance of any kind, except those created by or through IGF.

9. Inspection and Marking

Customer shall permit IGF, upon prior notice, to inspect any Equipment, Parts, and maintenance records during Customer’s normal business hours and subject to Customer’s normal security procedures. 10. Maintenance and Use

Customer shall keep each item of Equipment in good condition and working order, ordinary wear and tear excepted, and shall operate it safely in a proper environment as defined by the manufacturer and/or Supplier and in compliance with all applicable laws and regulations. As it relates to any software, embedded or otherwise, Customer agrees to comply with the terms of the software license and this Agreement.

11. Insurance

11.1 Customer shall be responsible for loss or damage to the Equipment and to carry primary property damage insurance covering the Equipment.

11.2 Upon the Commencement Date and up to the time the Equipment is received by IGF at its designated return location, Customer shall keep the Equipment insured, at its expense, against all risks of loss or damage from every cause whatsoever for not less than the full replacement value thereof. If there is loss or damage to, or theft of, Equipment, Customer will within five business days notify IGF and either:

- a. within sixty Business Days repair the Equipment, passing to IGF full legal and beneficial title to any replacement parts, or
- b. pay an amount equal to (i) any and all Lease Payments and other amounts, in each case, due or to become due under this Agreement with respect to such Equipment, and (ii) the Equipment's purchase price in accordance with the End of Lease Purchase Option if specified on the Schedule or, if such End of Lease Purchase Option is not specified on the Schedule, then the end of Term FMV for such Equipment. Thereafter the portion of the Lease with respect to such Equipment shall be terminated and neither IGF nor Customer shall have any further obligations with respect to such Equipment.

12. Alterations

Customer may only modify or alter Equipment subject to the following provisions:

- a. any Parts owned by IGF that are removed as a result of an Alteration shall remain IGF's property and shall not be disposed of, exchanged, transferred or sold by Customer without IGF's prior written consent. The foregoing shall not apply to Parts removed due to a warranty repair or an engineering change by the manufacturer of the Equipment or its authorized service provider utilizing the manufacturer's genuine parts;
- b. prior to return to IGF, Customer shall remove any Alterations not owned by IGF and restore the Equipment to its original condition using any removed IGF owned Part(s). For the avoidance of doubt, the obligation to restore the Equipment to its original condition also includes an obligation to remove all Customer installed passwords;
- c. if the Alteration is not removed or Equipment is returned other than in its original condition using any removed IGF owned Part(s), then Customer agrees to pay to IGF, unless otherwise agreed to in writing, an amount equal to any diminution in value of Equipment or the cost to restore the Equipment to its original condition, qualified for the manufacturer's maintenance agreement service, if available, or, if not available, then in good condition and working order, ordinary wear and tear excepted;
- d. all Parts or Alterations not owned by IGF that are not removed before return of the Equipment to IGF shall become IGF's property, without charge, free and clear of all liens and encumbrances.

If required of the owner of the Equipment or by the Equipment manufacturer, IGF agrees to (i) allow installation of any changes, additions, and/or capacity monitoring hardware or software on the Equipment, or permit manufacturer to monitor Equipment capacity; and (ii) comply with any other terms between Customer and Equipment manufacturer, including, but not limited to, those that relate to Equipment capacity.

13. Leases for Alterations

Upon Customer's request, IGF may agree to lease new or used Alterations to Equipment that are or have been offered for sale by the manufacturer of the Equipment and that contains no Part that has been changed or altered since its original manufacture. Leases for Alterations will be at then current terms and conditions and must be coterminous with the Lease of the underlying Equipment and Customer's selection of

its end of Lease options for the underlying Equipment, as set forth in Section 15, shall apply to the applicable Alterations.

14. Relocation, Sublease and Assignment

14.1 Relocation

If Customer is not in Default, then Customer may relocate Equipment and/or Program Licenses to another of its business locations in the same country provided such Customer gives IGF prior written notice and remains the end user of the Equipment and/or Program Licenses. Customer is responsible for arranging any relocation. Notwithstanding the foregoing, Customer may relocate Equipment that are mobile personal devices without notice to IGF provided the relocation of such Equipment is the result of temporary trips taken in the ordinary course of business and such Equipment is returned to the original location.

14.2 Sublease and Assignment

Customer may not sublease any Equipment and/or Program License or make an Assignment without IGF's prior written consent. No sublease or Assignment shall relieve such Customer of its obligations under the Lease. Any attempt to sublease or to make an Assignment without IGF's prior written consent is void.

14.3 IGF reserves the right to recover reasonable administrative fees and expenses related to any Assignment, sublease or relocation. Customer is responsible for all costs, expenses, duties and taxes involved in any Assignment, sublease, or relocation. Any sublease, relocation or assignment of Equipment and/or Program License shall be subject to all associated software license terms and it is expressly agreed that it is the Customer's responsibility to obtain all necessary approvals.

15. End of Lease

15.1 At the end of the Lease Term, Customer may select one of the options listed below or as detailed in the Schedule by providing IGF an End of Lease Notice. If Customer fails to give its End of Lease Notice at least 30 days but no more than 180 days prior to the End of Lease Date then the Lease Term will automatically continue on a month to month basis. Such Lease will continue under the same terms and conditions and at the then applicable Average Lease Payment (but for Equipment with a FMV Purchase Option, not less than the fair market rental value as of the End of Lease Date as determined by IGF) until the later of the date that is 30 days after the End of Lease Notice has been received by IGF and the date on which Customer has satisfied all the conditions of such selected end of lease option as described herein. To remind the Customer of its responsibilities stated above, IGF will send an end-of lease information letter in writing, prior to the end of the Lease Term. For the avoidance of doubt, absence of such end-of-lease letter does not relieve the Customer from its responsibilities.

15.2 Renew the Lease

At the end of each Term of the Lease, as long as no Default has occurred and is continuing, Customer may elect to renew the Lease for Equipment on terms and conditions mutually agreed to between the Parties. In the event Customer provides its End of Lease Notice in accordance with Section 15.1 selecting this option, the Lease will be renewed at the end of the applicable Term on such mutually agreed to terms and conditions.

15.3 Return the Equipment

At the end of each Term of the Lease, Customer may elect to return Equipment on the applicable End of Lease Date under the terms and conditions described in this Section 15 and Section 16. In the event Customer provides its End of Lease Notice in accordance with Section 15.1 selecting this option but fails to return the Equipment on or prior to the applicable End of Lease Date or if Customer returns the Equipment after the End of Lease Date without providing such End of Lease Notice, then Customer shall continue to pay IGF the Average Lease Payment until the last day of the month the Equipment is received by IGF in accordance with Section 16.

15.4 Purchase

At the end of each Term of the Lease and as long as no Default has occurred, if the Equipment and/or the Program License has a Purchase Option specified, then Customer may elect to purchase the Equipment and/or Program License. If Customer provides its End of Lease Notice in accordance with Section 15.1 selecting such Purchase Option, Customer shall pay all amounts due under the Lease to IGF, including any charges related to the End of Lease Purchase Option. Upon receipt of all such amounts with respect to any purchased Equipment, IGF shall transfer to Customer without recourse or warranty of any kind, express or implied

Master Lease Agreement

IBM Global Financing Danmark ApS

all of IGF's right, title and interest in such Equipment, except that IGF shall warrant the Equipment is free and clear of any liens or encumbrances created by or through IGF. If Customer does not pay IGF all such amounts on or prior to the applicable End of Lease Date, then Customer shall continue to pay IGF the Average Lease Payment until receipt by IGF of all such amounts.

16. Return of Equipment

Upon expiration, termination or cancellation of the Lease, the Equipment shall be returned to IGF at Customer's expense, fully insured against risk of loss or damage, to a location designated by IGF. Customer shall be responsible for deinstallation, packing, and return of the Equipment and any associated costs. Risk of loss or damage remains with Customer until receipt of Equipment by IGF at its designated location.

Customer is responsible for the removal of all information and data contained within the Equipment, including preloaded software licensed to the Customer, prior to its return. IGF shall have no obligation or liability in respect of any such information or data.

The Equipment shall be complete and in such condition as will qualify the Equipment for the manufacturer's maintenance agreement service, if available, or, if not available, then in good condition and working order (ordinary wear and tear excepted). Customer agrees to pay all costs and expenses incurred by IGF to restore the Equipment to the condition described above. Customer shall have no further right or interest in the Equipment upon its return.

17. Program Licenses / Services

17.1 For a Program specified in a Schedule IGF grants to Customer a non-exclusive, non-transferable right to use the Program, limited to the Initial term of the Lease. Customer's use of the Program is conditional upon Customer complying with the terms of the Supply Agreement and this Agreement. If IGF becomes aware that Customer is not complying with the terms of the Supply Agreement, IGF may terminate Customer's right to use the Program and require the return of the Program, together with any supporting documentation. Use of a Program after the Initial term shall, to the extent allowed according to the terms of the Supply Agreement, be provided under the terms of the Supply Agreement. Recurring license charges for such Programs or other additional charges for example as a result of Customer's use of a Program in breach of the Supply Agreement are not included in the Lease Payment. Such charges will have to be paid separately by the Customer. Customer will use the Program exclusively in the country/countries in which the Program is permitted in accordance with the terms of the Supply Agreement.

For a non-IBM Program under a Lease, Customer shall have an agreement in place with the Licensor which entitles IGF to lease the Program to Customer ("Permit").

17.2 If the Schedule includes services for Equipment or Program License, the Lease Payment as specified on the Schedule will include the financing of advance payments or purchase prices payable for services relating to the respective Equipment and/or Program Licenses.

If the Customer wishes to extend a maintenance or service agreement included in a Schedule, then the charges payable will be invoiced in addition to the Lease Payment as specified in the Schedule.

18. Events of Default

If any of the following events occur it shall be an "Event of Default" by Customer:

- i. Customer or Guarantor defaults under any lease or finance agreement with IGF beyond any applicable cure period.

19. Remedies

No right or remedy is exclusive of any other provided herein or permitted by law or equity; all such rights and remedies shall be cumulative and may be enforced concurrently or individually. Customer shall pay all costs and expenses, including reasonable legal fees, costs and expenses, incurred by IGF in enforcing the terms and conditions of this Agreement.

20.1 Exclusions

Except with respect to Section 20.10 Indemnity, in no event shall either Party have any liability for indirect or consequential damages, any loss of profits, business, revenue or anticipated savings, loss of use, or any other commercial loss. The foregoing does not limit, amend, modify or alter Customer's obligations to pay Lease Payments, taxes or any other payment obligations (including without limitation, Customer's indemnity obligations) under this Agreement. The limitation of liability in this Section shall in no way affect Customer's rights under the Supply Agreement against Supplier or the manufacturer of the Equipment. The foregoing shall not exclude any liability in respect of death or personal injury resulting from the negligence of either Party, its employees or agents. This indemnity shall not apply to Losses caused solely by the gross negligence, or willful misconduct of IGF. Customer agrees that upon written demand by IGF, Customer shall assume full responsibility for the defense of such claim.
