Find all the support you need for IBM MQ

+++ Question +++

Java™ EE application servers require the IBM MQ JMS Resource Adapter (RA), which is supplied as a JCA Resource Archive (RAR) file called "wmq.jmsra.rar". Where can I get it?

+++ Answer +++

a) The following tutorial can be helpful:

<https://www.ibm.com/support/pages/node/6202719>

Download, install and test IBM-MQ-Install-Java-All (com.ibm.mq.allclient.jar) and IBM-MQ-Java-InstallRA (wmq.jmsra.rar)

b) The IBM MQ Resource Adapter can be downloaded from Fix Central.

Start your navigation by visiting the top menu for the MQ Downloads:

<https://www.ibm.com/docs/en/ibm-mq/9.3?topic=roadmap-mq-downloads>

IBM MQ / 9.3 / IBM MQ downloads

Any MQ version, all downloads

Scroll to section:

Resource adapter, clients and other resources

Select:

IBM MQ Resource Adapter - For use with any Java EE 7 or Jakarta EE compliant application server.

The above link is associated to:

<https://ibm.biz/mq93JRA>

... which will take you to:

https://www.ibm.com/support/fixcentral/swg/selectFixes?parent=ibm~WebSphere&product=ibm/WebSphere/WebSphere+MQ&release=9.3.0.0&platform=All&function=fixid&fixids=*IBM-MQ-Java-InstallRA*

IBM Fix Central

The results will show you the latest available version.release.

As of 18-Jan-2023 the output looks like this:

1 release level: → [9.3.0.2-IBM-MQ-Java-InstallRA](#)
Long Term Support release: 9.3.0.2 IBM MQ Resource Adapter for use with Application Servers

[Click here for product readme](#) [Click here for installation instructions](#)

[Click here for information on the Continuous Delivery Support Model](#) [Click here for installation instructions \(WebSphere Application Server Liberty Profile\)](#)

+ [Show superseded fixes](#)

2 release level: → [9.3.1.0-IBM-MQ-Java-InstallRA](#)
Continuous Delivery release: 9.3.1.0 IBM MQ Resource Adapter for use with Application Servers

[Click here for product readme](#) [Click here for installation instructions](#)

Select the desired item to download.

Then follow the steps from the tutorial in item 'a' above.
